

# Licensing

**Victoria Carlton** will be back in Singapore in March & May 2017 to train teacher, parents and monitor students who are enrolling in their exciting programs.

## Book an appointment to find out

### Learn about:

- The unique aspects of her literacy programs and how they enable children to improve literacy, facility with English as well as creative and flexible thinking skills, improve oral language, speech and confidence to speak clearly and coherently
- How her research based EQ4Kidz program (Value in action) can build a holistic education
- How STAR (**S**Tudent **A**t **R**isk) can help children with learning difficulties
- How VC approach to Jolly Phonics and Grammar are so effective

## Learn from the World #1 Child Whisperer

Her programs are interesting, hands' on, built on sound pedagogical principles and effective. They have helped thousands of Aussie and Singaporean children to leap out of mediocrity into brilliance! They are now being offered on a permanent, ongoing basis by her licence centres in Singapore, Australia, Brunei and China.
