

Victoria Carlton Programs

Licencing talk

*Opportunity to purchase VC program or licence for Asia
Creative Methods to Academic & Social Success*

Victoria Carlton will be in Singapore in March 2015 to train teacher, parents and monitor students who are enrolling for her exciting programs.

She will be giving a comprehensive talk on

6th April, Monday from 5.00 – 6.30 pm

The talk will cover

- ✓ The main elements of her Literacy, Maths, STAR (Students at risk) and EQ4Kidz programs using the VC uniquely developed boutique style concept.
- ✓ Explain the history, philosophy, research and positive results associated with her programs and curriculum.
- ✓ Explain the unique aspects of her programs and how they enable children to improve literacy, facility with English as well as creative and flexible thinking skills, improve oral language, speech and confidence to speak clearly and coherently.
- ✓ Explain how her research based EQ4Kidz program (Value in action) can build a holistic education.
- ✓ Explain how STAR can help Children with learning difficulties
- ✓ Show you sample lesson plans and some of the resources used in the programs.

The Singapore Pre-school Accreditation Framework (SPARK) is a quality assurance framework introduced by the Ministry of Education to raise the quality of pre-schools in Singapore. Victoria offers quality programs and training which will enhance your curriculum and work towards achieving a high standard of excellence!

Her programs are interesting, hands' on, built on sound pedagogical principles and effective. They have helped thousands of Aussie and Singaporean children to leap out of mediocrity into brilliance! They are now being offered on a permanent, ongoing basis by her licence centres in Singapore, Australia, Brunei and China.
