

Victoria Carlton's Approach to Teaching Literacy Skills

Victoria is the Director of the International Centre for Excellence in Perth, Australia. She trains teachers and also offers a unique range of learning programs to children to help them reach academic excellence.

Victoria is well known and respected by educators and parents and children in Singapore. For many years, we have received many requests for Victoria to conduct a series of short and easy to digest, yet effective courses for the busy parents and teachers and here they are! Enrol yourself today!

LOVING LITERACY

- ✓ **How can we make *READING* and *WRITING* so exciting that *ALL* children will love to read and write and attain high standards?**
- ✓ **Come along and learn some exciting, innovative, practical and engaging strategies to ensure *ALL* children love literacy.**

Workshops for teachers and parents who want to make sure their children reach their full potential. There will be plenty of hands-on activities to make sure you are fully engaged!

These workshops will be interactive, fun-filled and will show you practical ways to ensure your children reach their literacy potential.

Workshop 3 Tuesday, 10th April 2012: Jolly Phonics.

Ensuring all children master reading using this multi-sensory Phonics programme from UK.

Workshop 4 Wednesday, 11th April 2012: Jolly Grammar.

Helping all children develop a love of Grammar and master the basic writing skills.

Workshop 5 Saturday, 14th April 2012: Jolly Music.

Teaching Music skills in a fun & effective way with Jolly Music, the Zoltán Kodály approach.

Workshop 6 Monday, 16th April 2012: Victoria Carlton's Mastery teaching strategies.

This program has a balanced blend of theory and research, practical strategies using Victoria very innovative and highly effective approaches to helping Children achieve their highest achievement

As well as learning some of the most effective ways to help children read and write at high standards you will be able to view "state of the art" literacy materials and ask questions to enable you to help children LOVE LITERACY!
