

VC's Brain Stimulation Techniques to Accelerate Learning and Brain Compatible Teaching Methods

The Victoria Carlton Mastery Practitioner Program is basically the distilled wisdom drawn from Victoria's main aim in life: to help all children reach their full potential. She truly enjoys empowering parents and teachers to use her proven & successful methods that ensure all children love learning and subsequently experience success.

You will learn:

- ❖ Many exercises drawn from Educational Kinesiology. You will also be shown how to integrate these exercises into the learning processes.
- ❖ How to provide brain-friendly lessons and learning environment.
- ❖ Actual research into the brain and effective learning strategies.
- ❖ How to stimulate and improve each of our eight intelligences.
- ❖ A range of brain compatible teaching strategies that work with the brain and encourage maximum academic growth.
- ❖ Participants will learn about the use of music and colour to stimulate brains and examine a range of lesson plans that employ these brain-compatible teaching methods.

This course is a module from her Mastery Practitioner Training course Stage 3.

Victoria Carlton

- Victoria Carlton, is the director of an organisation, THE INTERNATIONAL CENTRE FOR EXCELLENCE, and extensively uses **JOLLY PHONICS** to help West Australian children improve and succeed at literacy skills.
- She frequently travelled to the U.K. to meet the authors and publisher of **JOLLY PHONICS** and to check on current research in this area. She developed and conducted her own programs which are used with great success at her own centre in Australia and now in her licensed centre in Singapore (Victoria Carlton Centre of Learning Excellence: VCCLE)
- She is an international educator with over 35 years of teaching experience at all levels, specialising in literacy education, emotional intelligence, teaching children with learning difficulties and providing challenge programs for gifted and talented children.
- Victoria is convinced that **JOLLY PHONICS** is the most effective literacy programme available to teach literacy skills and was recently featured on the TV current affairs program, TODAY TONIGHT, to demonstrate and discuss the approach.

Victoria is passionate about transforming schools into happy places where all children are nurtured, challenged, motivated and encouraged to develop their full potential.
