

VC's Empowering Young Writers: All Kids Can Write

*The **Victoria Carlton Mastery Practitioner Program** is basically the distilled wisdom drawn from Victoria's main aim in life: to help all children reach their full potential. She truly enjoys empowering parents and teachers to use her proven & successful methods that ensure all children love learning and subsequently experience success.*

Empowering Young Writers course leads you through the stages of writing development and shows you practical, systematic ways to improve written expression for children of all ages. It provides you with many innovative written expression teaching tools and strategies.

Getting the words to flow like water!

Many children HATE writing and will do ANYTHING to avoid it-including making your classroom a battlefield! Discover WHY reluctant writers hate writing and WHAT YOU CAN DO ABOUT IT!

- ❖ Learn what assistance and teaching strategies are required at each stage of writing development.
- ❖ Learn interesting ways to improve children's ability to understand different forms of writing and be able to re-create these genres themselves.
- ❖ Learn how to teach children that books can be models for our writing and examine a range of suitable literature that will really enhance writing development.
- ❖ Be shown an exciting range of creative writing strategies that will help ALL children successfully write in the creative mode and experience the joy of becoming a **CREATIVE WRITER!**
- ❖ You will be given specific exercises to stimulate the writing areas of the brain and help writing become more fluent and ideas to flow in an effortless way.
- ❖ Participants will be shown a method of teaching creative writing that stimulates the imagination and the right hand side of the brain and really helps the words to flow like water!

Experience each section of this course yourself so you truly understand writing from the inside out!

This course is a module from her **Mastery Practitioner Training course Stage 3.**

Victoria Carlton

- Victoria Carlton, is the director of an organisation, THE INTERNATIONAL CENTRE FOR EXCELLENCE, and extensively uses **JOLLY PHONICS** to help West Australian children improve and succeed at literacy skills.
- She frequently travelled to the U.K. to meet the authors and publisher of **JOLLY PHONICS** and to check on current research in this area. She developed and conducted her own programs which are used with great success at her own centre in Australia and now in her licensed centre in Singapore (Victoria Carlton Centre of Learning Excellence: VCCLE)
- She is an international educator with over 35 years of teaching experience at all levels, specialising in literacy education, emotional intelligence, teaching children with learning difficulties and providing challenge programs for gifted and talented children.
- Victoria is convinced that **JOLLY PHONICS** is the most effective literacy programme available to teach literacy skills and was recently featured on the TV current affairs program, TODAY TONIGHT, to demonstrate and discuss the approach.

Victoria is passionate about transforming schools into happy places where all children are nurtured, challenged, motivated and encouraged to develop their full potential.
