

## VC's Literacy through Literature: All Kids Can Read: (2 days)

*The Victoria Carlton Mastery Practitioner Program is basically the distilled wisdom drawn from Victoria's main aim in life: to help all children reach their full potential. She truly enjoys empowering parents and teachers to use her proven & successful methods that ensure all children love learning and subsequently experience success.*

Literacy through Literature course is a very practical, intensive course that shows you how to use games and real literature to improve comprehension, reading speed and fluency and imbue children with a life-long love of reading. The course takes you through all parts of a child's "reading journey" and provides you with games and techniques to accelerate the process and ensure deep comprehension occurs.

You will learn about:

- ❖ Attitudes and emotional aspects of literacy teaching.
- ❖ Reading to children from quality children's literature to develop literary appreciation and deepen story grammar.
- ❖ Quality children's literature and how to institute a literature based reading program. You will be shown how to recognise and choose the best literature for the children in your care.
- ❖ Improving word recognition, decoding and deepening comprehension.
- ❖ Links between reading and writing.
- ❖ Comprehension strategies for fiction and non-fiction text.

**Participants will receive a substantial comprehension resource package.**

This course is a module from her Mastery Practitioner Training course Stage 3.

### Victoria Carlton

- Victoria Carlton, is the director of an organisation, THE INTERNATIONAL CENTRE FOR EXCELLENCE, and extensively uses **JOLLY PHONICS** to help West Australian children improve and succeed at literacy skills.
- She frequently travelled to the U.K. to meet the authors and publisher of **JOLLY PHONICS** and to check on current research in this area. She developed and conducted her own programs which are used with great success at her own centre in Australia and now in her licensed centre in Singapore (Victoria Carlton Centre of Learning Excellence: VCCLE)
- She is an international educator with over 35 years of teaching experience at all levels, specialising in literacy education, emotional intelligence, teaching children with learning difficulties and providing challenge programs for gifted and talented children.
- Victoria is convinced that **JOLLY PHONICS** is the most effective literacy programme available to teach literacy skills and was recently featured on the TV current affairs program, TODAY TONIGHT, to demonstrate and discuss the approach.

**Victoria is passionate about transforming schools into happy places where all children are nurtured, challenged, motivated and encouraged to develop their full potential.**  
**Join Victoria's Mastery courses to share and participate in this vision!**

**Schools may enjoy special rates for WHOLE SCHOOL workshops for Teachers & Students**

Course notes, refreshments & a Professional Certificate of Achievement are included.
