

Art Classic Stories (with CD)

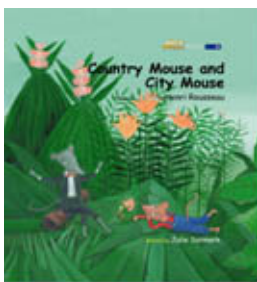

These are unique books that combine classical art with the most loved children's stories. Each book features a famous artist, with story illustrations in the artist's style. The exquisite pictures capture the children's eyes and guide them to the world of art. They offer a different aspect of art and using a delightful story format that makes it enjoyable as well as educational. These books can be used in reading tutorials, discussion class, art immersion courses or even for drama.

- A delicate rhyming style to capture the essence of the story
- The delightful tales of classical stories
- The exquisite pictures to showcase the specific technique used by each artist
- Discussion of the story and the art, which can take comprehension to a higher level
- Moral lesson sections
- CDs with Narrative voices (adult and children) and come with sound effect, excellent for play and dramatic lessons
- Suitable for children from Elementary, Year 1 to 3
