

# CHARACTER EDUCATION RESOURCES

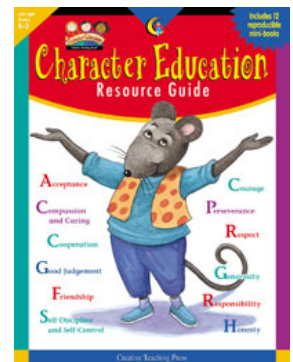

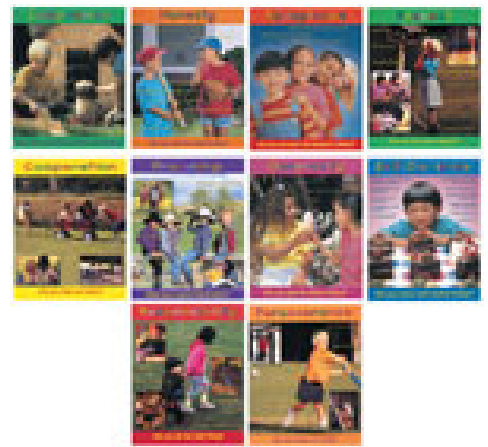

## Build Strong Character & Reading Skills

Help put an end to bullying and violence by focusing on and teaching positive peer interaction. These motivational readers allow you to double your instructional time by teaching children important character-building values while promoting practice with their reading skills. The books complement a CD that includes a narrative reading of each book as well as the lyrics presented as a song. Invite students to listen to the catchy tunes as they follow along in their books. Soon, your children will be singing their way toward building a more caring classroom community.
