Play Foundations

Play Foundations feature popular Early Years themes and provide activities for setting up quality play scenarios with the emphasis on child-led play. The activities are specifically designed to encourage independent learning and aim to support children in fulfilling their potential. There are 6 Books available for ages 0-3, and 6 Books & CD-ROMs available for ages 3-5.

The series has recently been awarded a 2008 Practical Pre-School Gold Award in the 'Teaching resources and equipment' category.
