

Victoria Carlton's

All Kids can read

(A Workshop for educators)

SEPTEMBER 21
ENTERPRISE PTE LTD

A course to help educators help all children reach for the stars and maximise their potential

This workshop is suitable for educators of children aged 4-11 years.
Victoria Carlton's workshops were featured on Australia wide television:
TODAY TONIGHT

A professional development day for teachers (1 day)
-A module from Mastery Practitioner Training course Stage 3-
Conducted by Victoria Carlton

This is a very practical, intensive course that shows you how to use games and real literature to:

- Improve phonics and word recognition
- Lift comprehension levels
- Improve reading speed and fluency
- Imbue children with a life-long love of reading

The course takes you through all parts of a child's "reading journey" and provides you with games and techniques to accelerate the process and ensure deep comprehension occurs.

This course clears dispels a lot of the "fog" about the reading process and provides clear directions for lifting reading levels and promoting healthy reading behaviours.
