Ultimately the strength of any educational institution, be it a kindergarten, primary school or university, rests on the quality of its teaching personnel. Fundamental to this teacher quality is teacher training. Get the training right and you're over halfway to success. The Fitzroy Teacher Certification Course is the only program endorsed by Fitzroy Programs, creators of the Fitzroy Method. It provides teachers with the knowledge and tools necessary to ensure that they get the most from their students and teaching material. The course is comprehensive, lively and hands-on. Upon its completion participants will be equipped with everything they need to know to teach the Fitzroy Method with confidence, skill — and a sense of pleasure.

This course has been tailored to cover elementary to the advanced level. It is divided up into easily digestible teaching units plus a 45 minute assessment.

### Units include:

- **The Fitzroy Method:** System, method and structure. How and why it works.
- **First steps in the Fitzroy method:** Where to begin, how to proceed.
- **Using basic teaching materials such as:**

The Alphabet Book Readers 1-60 The Word Skills Books Audio Cds  
Fitzroy Talking Readers CD-Rom version: Special features for accelerated learning  
Alphabetic games: The fast track to word formation

- **Revise all the important digraphs and sounds** (and how best to teach them).
- **Common phonic teaching mistakes** (and how to avoid them!)
- **Creative writing:** simple strategies for a solid foundation
- **Formal writing for young students (e.g. essay):** Creating complex ideas in simple ways.
- **Advanced grammar:** Secondary school grammar for primary school students.
- **Public speaking:** Why your child will never fear it again. Fitzroy Community School's secret.
- **How to conduct a class:** Making lessons memorable. Techniques for rapid learning.
- **Tests and techniques** for effective classroom assessment. .
- **Accelerated learning** — how to use what you already know. Fostering creativity in the classroom.
- **Psychology of teaching:** How to get the best out of your students. Things to do, things to avoid.
- **Classroom games and activities** — Supplies teachers with numerous practical teaching exercises and classroom activities. How to use what you already know. Fostering creativity in the classroom.
- **Answers** to perennial questions such as: – 'At what age should a child start learning to read?' & 'How long should it take for your child to develop reading fluency?'

All participants will receive a Fitzroy Certificate of Attendance. At the end of the course, participants can sit for a short assessment and those who successfully pass the assessment will receive a '**Fitzroy Teachers' Certification Certificate**'. This certifies that you are competent to teach the Fitzroy Method, and is currently the only available certificate granted by **Fitzroy Programs, Australia**.

**The trainer**, Jeremy O'Carroll, the Director of Training, S.E.A, being one of the founding student of the Fitzroy Community School will be the best person to impart his first-hands experience on the success of the program.
