

Victoria Carlton's Professional Development for Teachers**MASTERY PRACTITIONER TRAINING STAGE 1 (INTAKE 2)**

JOLLY PHONICS and **JOLLY GRAMMAR** are:

- Systematic, multi-sensory approaches to literacy that open the door to better English for ALL students
- The **JOLLY PHONICS** and **JOLLY GRAMMAR** approaches to literacy will enable ALL students to read, spell and write

By attendance at this thought-provoking and practical seminar you will learn:

- why this approach is so effective and learn of the compelling research underpinning this approach
- **Victoria Carlton's CREAM** approach
- multisensory methods to introduce the main phonics sounds
- which sounds to introduce and a suggested order
- practical, structured strategies to improve phonemic awareness and teach phonics and early reading skills
- an enjoyable method using movements and colour to introduce the fundamentals of English grammar and punctuation

Who should attend? Educational professionals from Nursery to Primary level and any staff who work with children with learning difficulties.

Attendees will have the opportunity to attend/revise the basic 2 day training and then attend 2 days of intensive training to achieve mastery in their delivery of this wonderful program for children. Attendance at several practical sessions in Children classes (different courses) to observe Victoria teaching, assist with classes and practise these techniques will be offered.

Teachers will be invited to complete a written assessment as well as demonstrate practical competency in Stage 1 of this program. Certificates will be awarded for successful candidates.

MASTERY PRACTITIONER TRAINING STAGE 3 (INTAKE 1)

This is the FINAL Stage in the Victoria Carlton Mastery program. Participants who enrol in this course may have completed Mastery 1 and 2 or be offered opportunities to complete them at a later stage in the year.

Successful graduates of the whole VICTORIA CARLTON MASTERY APPROACH are eligible for employment opportunities and are also given regular updates and access to new techniques, research and coaching from THE INTERNATIONAL CENTRE FOR EXCELLENCE.

- **Full EQ4KIDZ training 3rd intake (2 days) Next intake is in 2011. Date to be confirmed.**
This will equip you to fully understand the impact of EQ on your life, how it impacts you as an educator and how you can raise the EQ of all the children in your care. This 2 day intensive course will teach you about all aspects of emotional intelligence and provide you with a facilitator manual so you can provide workshops for children. Enrolment in Mastery 3 will also give you a licence to use the program for 12 months with full support from Victoria and her staff.

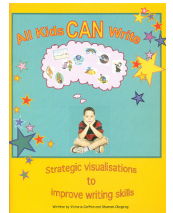

- **Brain Stimulation Techniques to Accelerate Learning and Brain Compatible Teaching Methods. (1 day) 3rd intake intake is in 2011. Date to be confirmed.**

This course will ensure your children are stimulated and helped to reach their highest potential. You will learn many exercises drawn from actual research into the brain and effective learning strategies. You will also be shown how to integrate these exercises into the learning processes and how to provide brain-friendly lessons and learning environment.

- **All Kids Can Write: (1 day) 2nd intake 2nd October 2010 Saturday**

This course leads you through the stages of writing development and shows you practical, systematic ways to improve written expression for children of all ages. This course provides you with many innovative written expression teaching tools and strategies.

- **All Kids Can Read: (1 day) 1st intake 3rd October 2010 Sunday**

This is a very practical, intensive course that shows you how to use games and real literature to improve comprehension, reading speed and fluency and imbue children with a life-long love of reading. The course takes you through all parts of a child's "reading journey" and provides you with games and techniques to accelerate the process and ensure deep comprehension occurs.

There is a written assessment for this stage and all participants will be asked to have an interview with Victoria to determine your understanding and individual needs. We are commencing children's courses at September 21 and these may be extended to schools. We expect participants in this course to be confident to use these programs either at September 21 or in other contexts. We will be offering employment opportunities to some participants.
